

2024 Classical Guitar Program Manual

Information subject to change | Updated 2/23/2024

The Aspen Classical Guitar Program is an intensive four-week program that offers performance class instruction with Director Sharon Isbin and her assistant concentrating on technique, sound production, interpretation of all repertoire, and Baroque performance practices. Advanced students will receive all of their performance class lessons from Ms. Isbin; others may have one or more of their lessons with her assistants. Placement will be determined on an individual basis. Qualified students enjoy many opportunities for performance, including chamber music collaborations. The program culminates with a class concert. Students also have the opportunity to participate in chamber music and guitar ensemble, coached by Ms. Isbin's assistant.

ADDITIONAL PERFORMANCE OPPORTUNITIES

See the [Student Handbook](#) for a full list of performance opportunities in Aspen. Popular opportunities for Classical Guitar students are detailed below.

Spotlight Recitals

Spotlight Recitals are a setting for students who wish to perform chamber and solo works. Solo and chamber works are encouraged and most appropriate. Concertos are accepted on a case-by-case basis. Students who are placed in chamber music will receive a preassigned performance date on this series. Those preparing solo projects or ad hoc chamber music projects may apply for a performance date by submitting a Spotlight Recital Application through their AMFS Student Portal. All applications will be sent to Aspen teachers for approval. Opportunities fill quickly in late summer so make sure to arrive at Aspen prepared to apply early. Students may apply multiple times, but priority will be given to those who have not yet performed on the series. See the application form for specific deadlines and recital dates.
